

Dear St. Matthew's Community:

As part of our search for our next head of school we are, with help from our consultants, using a brief online survey to capture valuable feedback from as many members of the St. Matthew's Parish School community as wish to participate.

The recent campus visit by Bob Fricker and Peter Philip has already ensured us of a comprehensive, inclusive, and diverse set of views about the school which we will use in further refining our criteria in the selection process for our next head. We are asking faculty, parents, trustees, Parishioners and alumni/ae for their candid feedback using this method. All responses are both confidential and anonymous, and go directly to our consultants who will consolidate the feedback and use it to ensure we have considered all points of view from our key constituents. The results will be very useful and will remain confidential.

The survey should take 10-15 minutes to complete and will remain open until the end of the day, Monday, February 13th. At the end you will also have an opportunity to nominate any educator known to you who might be a good fit for us. The Search Committee is deeply grateful for your participation in this process and we expect to keep you apprised over the next months through announcements and our web site of the important milestones in the search process.

To complete the survey please use this link:
